Commissioner for Patents

The Office action mailed December 19, 2007, inadvertently included the incorrect NPL reference (TANAKA). An attempt to send the correct reference was not successful as inadvertently an incorrect reference was sent (JP 06-067235). A copy of the correct NPL reference referred to in the above Office action (TANAKA) is attached herewith. The previously sent NPL references may be disregarded. Additionally, the Examiner has noted that the Office action incorrectly referred to Figure 3 twice at the top of page 6. In both instances, Figure 4 of the reference should be mentioned. The rejections set forth in the previously mail Office action are maintained. The response period to the Office action is restarted.
